

SOLUTION SUMMARY

REASONS FOR UPGRADING TO WEBCENTER 12.2.1.4

oAppsNET Partners are specialists in Oracle's AP Automation "Financials Image Processing Solution Accelerator" (FIPSA) and Oracle's solution utilizes WebCenter software as the backbone to their solution. oAppsNET is well versed with WebCenter and we can show you the way to upgrade your older versions to the latest version of WebCenter or 12.2.1.4. This will make you eligible for Oracle premier support and allow you to take advantage of the new functionality and features within your AP Automation solution. We've highlighted some of the reasons to upgrade your Oracle AP Automation technology stack to the latest version.

VERSION	PREMIER	EXTENDED
WebCenter 10gR3	Dec 2012	Dec 2015
WebCenter 11gR1	Dec 2018	Dec 2021
WebCenter 12.1.x	Dec 2017	Dec 2019
WebCenter 12.2.x	Dec 2023	Aug 2025

**WHAT IS PREMIER SUPPORT?**

Premier Support as an Oracle customer, you can expect the best with Premier Support, our award-winning, next generation support program. Premier Support provides you with maintenance and support for your Oracle Database products for five years from their general availability date.

**WHAT IS EXTENDED SUPPORT?**

Your technology future is assured with Oracle's Extended Support. Extended Support lets you stay competitive, with the freedom to upgrade on your timetable. If you take advantage of Extended Support, it provides you with an extra three years of support for specific Oracle releases for an additional fee.

Beyond premier or extended support, below are the latest list of WebCenter 12.2.1.4 functionality and features that you should consider as part of your upgrade decision.
